

PROPOSALS FOR PROTECTED VIEWS

ARROW REFERENCE	DESCRIPTION	WHO
1	To maintain local View	AS
2	View on quarry Tide wood tree live/	AS
3	View to Dart from ROW (&complete field)	Sy
6	Byter Mill lane- South Westerly along the Mill Pond of the wetlands Mill Pool and village	MF
6	Mill Pond Foreshore	AS
7	View from the Copse across the valley to Aish - view typical of countryside in the area	MF
8	View from end of track leading to PC land sought for burial site- views over fields & across river Dart	HK
8	top of Hill at Duncannon Copse -over Dart	MF
11	Beautiful rural view across undeveloped land from the edge of the village	KF
12	SGCC - View towards Sharpham woods & Ham Fields which personifies south Devon	thh
13	SGCC Cricket Ground to Hoyle Lane. The view provides the linkage of the ground to the village, somewhat despoiled by the recent Rowes Farm Development	THH
14	The view from the lime kiln at Hoyle Copse to Aish & Bowhay. This is archetypical rolling farmland representing the very best of South hams landscape. The view certainly merits protection	JW
	Protect them all. All proposed by Parish residnets who know the landscape well	JW

3/8/5	I walk around these every morning and enjoy rural views etc	JDS
8/10	Beatiful views up to trees by Cavanna Development -should not be encroached upon	
1A	View to left of village entrance with footpath 6 across it	GT
1A(J)	View to left of village entrance with footpath 6 across it	CM
C	View of Chesnut Hill & Copse at the top of the Hill. Part of general view from the village	S.C
D	View from rise from Byter Mill to where the lane levels	
E	There are a number of properties at this location with views over Stoke Gabriel conservation area. This has been adversely affected recently by development and should be protected. The veiws over historic buildings are an integral part of Stoke Gabriel's historic environmet, as is their setting (green space,orchards). The design of recent development has not been sympathetic to these surroundings,	Sarah C-B
G	View down Dart to Dittisham from 2nd field on the path to Duncannon Point (starting opposite Stoke House)- steep fence runs beside path	GT
H	Lower bench in Hoyle Copse across the Dart	DS-S & DH
I	View from entrance to field/copse across river & countryside	DS-S & DH
J	View from the café across the Mill to the Village iconic tourist view	DH & DS-S
L	Walk form the Millpool to Wood's House - path to Duncannon & Beyond	D S-S/DH
X	View of Entire Chesnut Hill	-
	View from Mill Point over the river & creek.Historically the village thrived on salmon fishing so historical reasons for retention	DE
